ARTYFAX

August 12, 1964

Greetings to all members of Sonoma Valley Art Center. We hope you have had a pleasant and productive summer. The Art Club has been on an official vacation and now is the time to pick up where we left off.

This Sunday, August 16th, Elizabeth Bonbright invites any who wish to come to paint in her garden. Since it gets hot in the afternoon, Mrs. Bonbright suggests from ten until twelve.

Mrs. Bonbright is delighted with the growth of her idea of brightening the halls of the State Hospital with paintings either loaned or donated by our members. There is room for plenty more and it is a wonderful way to brighten many lives. She sold a painting of Miss Latour's.

NEXT REGULAR MEETING, AUGUST 19, at eight P.M. at the Community Center. Irma Wallen will be back from her trip and will lay plans for the Art Show of the Vintage Festival. Since we will not be able to use the Post Office building this year, we will plan a different type of show.

There may be some confusion this year what with the Women's Club holding an Art Show and a rival art club starting up in Glen Ellen, so we must all work behind Irma Wallem to make this a success. Louise Paskow, your President, will be out of town at Festival time, but she will cooperate with Irma Wallem to the best of her ability.

MEMBERSHIP FEES are now due and payable, six dollars per year as of July 1st; ten dollars for husband and wife. Please be a member in good standing by Art Show time!

We have added a professional artist to our membership, Mr. Keogh, who has been using the studio all summer. We are glad to think that that nice room has been putto use.

See you at our meeting, AUGUST 19

Louise Paskow, President
